OCTOBER 2003

This month I offer a few fishing anecdotes for your amusement.

"There is no use in your walking five miles to fish when you can depend on being just as unsuccessful near home." Mark Twain

"Most anglers spend their lives in making rules for trout, and trout spend theirs in breaking them." George Aston

"You can always tell a fisherman, but you can't tell him much." Corey Ford

"He cleans fish. Why not the house?" Unknown

"Tying is another area where expertise comes at an investment of time. With assistance, the fundamentals of palmering hackle can be learned quickly; without, the process can leave you hating chickens." Seth Green

"Fishing must be a wonderful hobby, because so many people have so much fun doing it and yet are so terrible doing it" Ray Hurley

"The fishing is always great—it's the catchin' that varies." Out of town flyfishing expert after luring you to their destination.

"My casting has improved tremendously. Now I catch trees on both sides of the river." Author pleads the 5th amendment

"Many men go fishing all their lives without knowing that it is not fish they are after." Henry David Thoreau

"Fisherman are born honest, but they get over it." Ed Zern

"For me, the worst blow in fishing is losing an unseen big fish. I am haunted by hundreds of them." Ted Williams

"To live is not necessary. To fish is necessary." Latin Inscription

"Of all the hardware a fisherman carries with to the stream, his timepiece is the least important." Paul Quinnett

"Some people look great with an eyebrow piercing" Ali Paton

EASTERN SIERRA NOVEMBER 1/2/3/4

This outing will cover both the first weekend of Nov. in Bishop or Mammoth plus Monday and Tuesday at the Hot Creek Ranch. Remember the season has been extended until 15 Nov. I have reserved three cabins at the Ranch for Monday and Tuesday. The cost is \$165.00 per night for two people. Additional person is \$80.00 per night, only three fly rods allowed per cabin. (Check in time is 4:00 pm Monday with departure 12:00 noon on Wednesday). Depending on an individuals schedule can either do just the weekend or the Ranch or both as I plan on doing. At the present time eight individuals have expressed an interest in the Ranch. A deposit of \$225.00 is required on all reservations. Four weeks notice is required on all cancellations for a full refund. I fished Hot Creek the second weekend of Nov. last year and had the public side almost to myself – one of the best days I have had on Hot Creek.
